EXPERIENCE

Starbucks, Whitehall — Shift Supervisor

JANUARY 2019 - PRESENT

Started off as a barista, and worked my way up to Shift Supervisor, opening the store, doing inventory, placing orders, and managing the floor and team members.

LuLaRoe Alyssa Szutz, Charlotte — Owner/Retail

OCTOBER 2016 - JANUARY 2017

Placing orders based off of supply and demand, marketing the inventory and myself as a seller, customer care and support, hosting in home events, and shipping.

Stay At Home Mother, Charlotte — Caregiver

JANUARY 2014 - PRESENT

Stay at home mother to two amazing children, providing the care and well being of their lives. Taking care of the home, and needs of the family.

EDUCATION

UNC Uptown Continuing Education, Charlotte, NC — Computer Coding

JANUARY 2019 - PRESENT

Learning the basics of full stack development including, HTML, CSS, JavaScript, JQuery, Firebase, Node JS, SQL, Sequelize, MongoDB, Mongoose, React.

The Interior Design Institute, Online - Washington — Interior Design

JANUARY 2012 - DECEMBER 2012

Learning the different levels of design concepts of what the consumer wants, from modern to chiq, rustic to cabin fever, there is a whole spectrum of wants and need in the home and opinion while also factoring in funcuality and flow of the home patterns, colors, and textures.

SKILLS

Eye for Design

Bootstrap, and CSS

Working on a team to deliver great products on deadlines along with working with the needs of other team members

Time Management

PROJECTS

My Portfolio follow the link to check out some of the work I have done through my Coding Bootcamp work through UNC Charlotte. The page itself was one of my favorite pieces of work, getting to make it according to my own personal ideas, and designs.
